

COMMUNITY ENVIRONMENTAL PROJECT

"Clean Cyprus"
"Let's make Cyprus a Cleaner, Greener Place"

The project will be presented by our Environmental Chair: Dr Manfred Lange
As our last presentation for today

The official campaign was launched on 15th September during a Gala Dinner and in collaboration with Green Dot, under the auspices of Mrs Elsie Christofia, wife of the President of the Republic, in the gardens of the Presidential Palace and in the presence of our District Governor

The evening included a luxury buffet, sponsored by the Hilton Hotel, and music by well known artists Yiannis Hadjloizou (piano),. Another attraction of the evening was the screening of the 4-minute film 'Silent Movie' a contribution from [Vineyard Film Festival](#).
